TESTIMONIALS

“From the moment of landing until your last day your trip will be a remarkable adventure. Whether you are a seasoned traveler who usually makes all their own arrangements or a beginning world explorer you will appreciate the care and detailed arrangements that Maria makes in preparation for the trip and during your days of travel. There is so much to see in Ireland and Maria manages to squeeze in an amazing variety of engaging experiences: historic sites, sacred sites & stone circles, breathtaking landscapes, cityscapes, shops, galleries, museums, pubs! Great places to linger all day or evening. Food of course is important. While on the road Maria finds interesting stops for delicious and always too plentiful amounts of food. Evening group dinners will be a highlight. It is a jam packed trip. With Maria's sense of humour and stories even the road touring experience in the green Paddy bus is a delightful experience.” Dawn

“To travel with Nancy is to travel aligned with your spirit—opening to the possibilities and delighting in the wonder of authentic, meaningful experiences. You do not simply visit a country with her; you make deep connections with the people and the places because you travel with a receptive, loving heart. With each trip, I have come home transformed and as a result, my life continues to unfold in unexpected but beautiful ways.” - Melanie, North Carolina

“Ireland was absolutely wonderful. Maria did a fabulous job as tour director. The tour group didn't have to do any thinking or planning - just go! I loved everything about Ireland - the people and their sense of humor, the Irish music and glorious scenery and old buildings and rock walls and sheep and on and on.” Dianne

“My husband and I traveled with Nancy on a tour before. We knew that she was there for us when we did not even know we needed it. We went home inspired.” K & M
